Introduction

This is the eighth update of the directory of Transition Houses and Shelters for Abused Women in Canada. It is one of a series of directories prepared by the National Clearinghouse on Family Violence under the Federal Family Violence Initiative.

This updated directory provides a current listing of 466 services and programs that address the needs of abused women. The services are listed by province/territory from the east to west coast and, within each province/territory, alphabetically by town or city.

Transition houses and second stage houses provide temporary accomodations and support for abused women and their children. Organizations listed in this directory may also offer counselling and follow-up services and may be able to provide information about other local sources of assistance.

Each listing identifies the type of facility or service (transition housing, second stage housing, other) and indicates whether bilingual services are available, whether there is a fee for the services, whether women with special needs can be accomodated, and whether children can be accomodated. The coding for these categories is described after the introduction.

Introduction

Ceci est la huitième mise à jour de Maisons de transition et d'hébergement pour femmes violentées au Canada. Ce document fait partie d'une série de répertoires préparés par le Centre national d'information sur la violence dans la famille, dans le cadre de l'Initiative de lutte contre la violence familiale lancée par le gouvernement fédéral.

Ce répertoire présente une liste à jour de 466 services et programmes qui répondent aux besoins des femmes violentées. Les services sont énumérés par province et territoire, d'est en ouest, et, dans chaque province et territoire, dans l'ordre alphabétique des municipalités et des villes.

Les maisons de transition et d'hébergement offrent un hébergement temporaire et un soutien aux femmes violentées et à leurs enfants. Les organisations énumérées dans le présent répertoire offrent peut-être aussi des services de counselling et de suivi et elles offrent peut-être également de l'information au sujet d'autres sources d'aide locales.

Chaque inscription indique le type d'établissement ou de service (maison de transition, maison d'hébergement ou autre), si des services bilingues sont disponibles, si des frais sont exigés pour les services, si l'on peut servir les femmes qui ont des besoins spéciaux et si les enfants peuvent être hébergés. Les codes désignant ces catégories sont décrits après l'introduction.

The contact information provided in each listing may include: street or mailing address; administrative telephone number; crisis telephone number; facsimile number; e-mail address; and web site. Some listings also include a toll free number, which is generally accessible only within the local calling area. However, the toll free numbers for the National Clearinghouse on Family Violence can be used across Canada.

Please note that we have not attempted to evaluate the services in this directory.

If you are aware of any changes or additions that should be made to these listings, please let us know.

Les renseignements fournis pour chaque inscription peuvent comprendre l'adresse civique ou postale, le numéro de téléphone administratif, le numéro de téléphone d'urgence, le numéro de télécopieur, l'adresse de courriel et de site Web. Certaines inscriptions comprennent également un numéro de téléphone sans frais, qui n'est habituellement accessible que dans la zone d'appels locaux. Toutefois, les numéros sans frais du Centre national d'information sur la violence dans la famille peuvent être utilisés partout au Canada.

Veuillez prendre note que nous n'avons pas tenté d'évaluer les services énumérés dans le répertoire.

Si vous remarquez que des changements ou des ajouts devraient être apportés à la liste, veuillez nous en informer.
